The Honorable William J. Casey
Director

Dear Mr. Casey:

I am writing to you at the suggestion of [Redacted]
[Redacted] for whom I am writing my doctoral dissertation on
"Soviet and American Signaling in the Polish Crisis, 1980/81."
My research concerns both events within Poland during that
period and the crisis management strategies of East and West
during the crisis.

I would very much appreciate the opportunity to dis-
cuss my topic with you in person, at your convenience. I am
certain that you would be able to provide a key insight which
would prove invaluable to my research.

I will call you shortly to ask about setting up an
appointment, and would be happy to discuss in greater detail
with you at that time the specific areas of inquiry I would
like to pursue. Thank you very much.

Sincerely yours,

[Redacted Signature]
